CHAPTER ONE

THE 04:40

a manga by Mr D · assembled by Ink

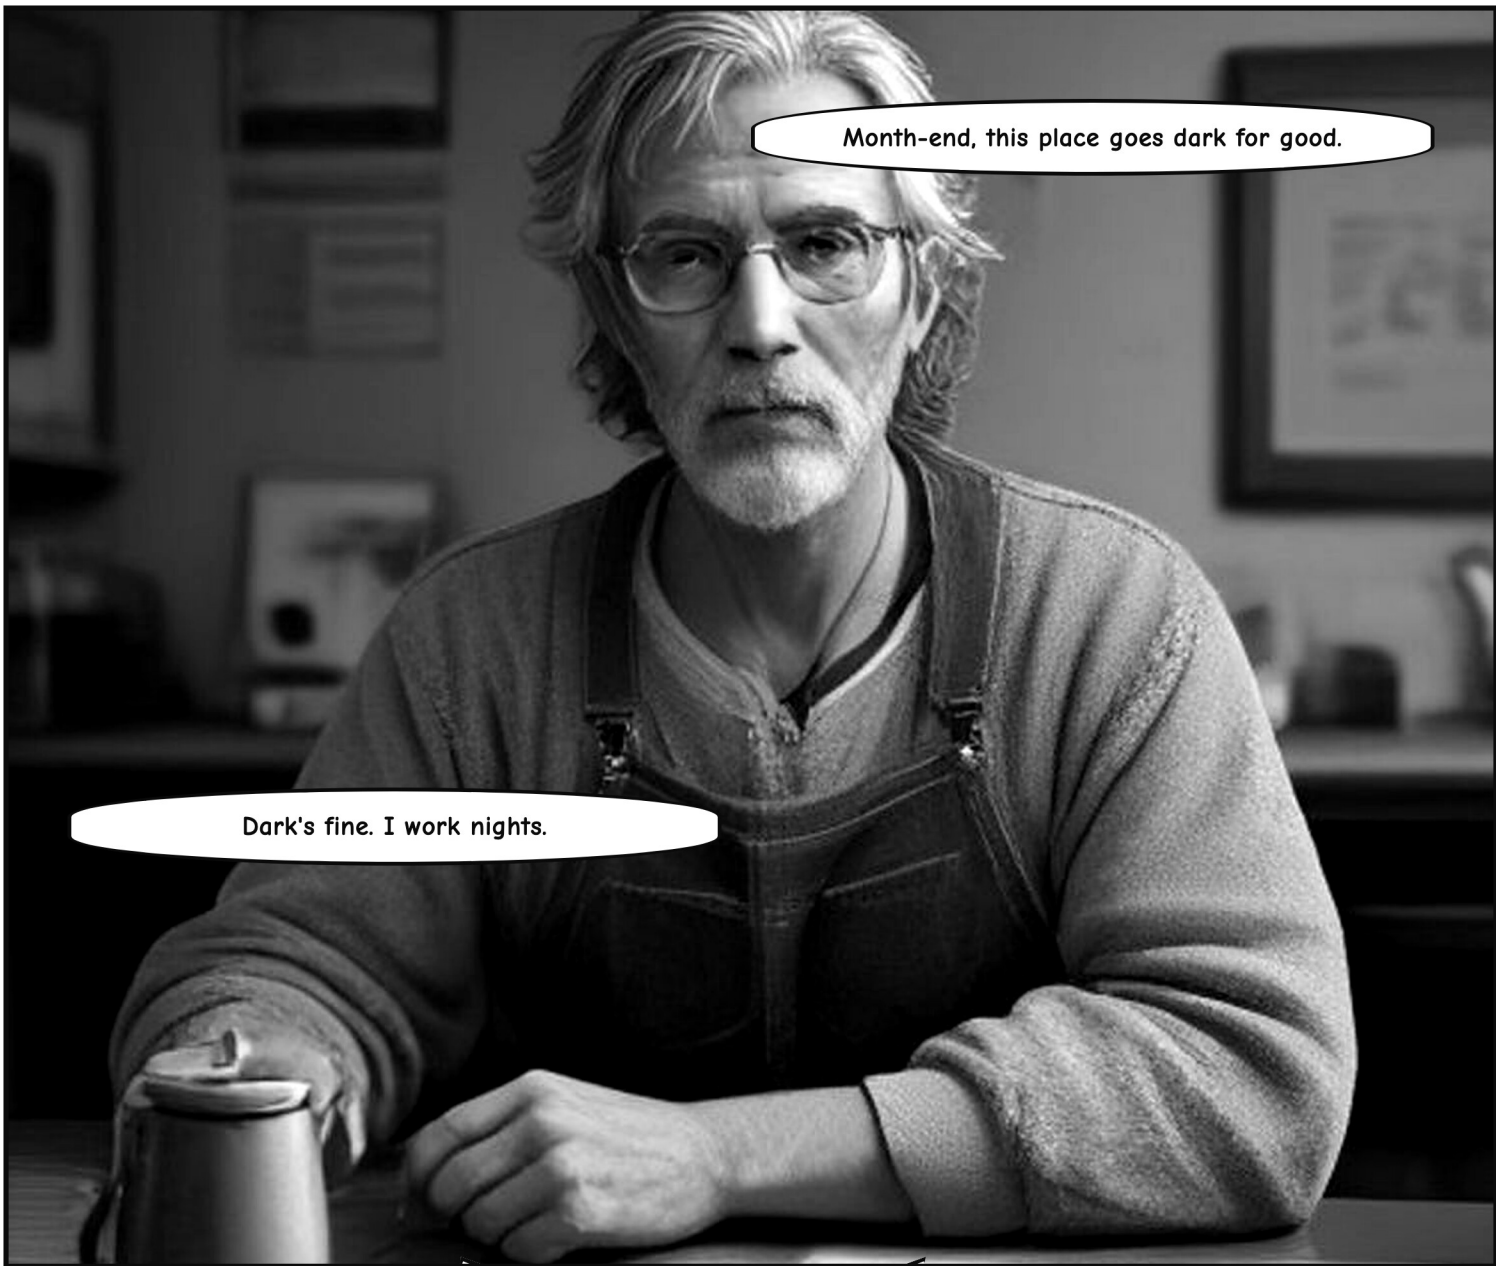

TEST RUN — panel art is AI PLACEHOLDER, not the artist's hand

UMOYA BAY — 04:12

THE LAST ANALOGUE VOICE ON THE COAST

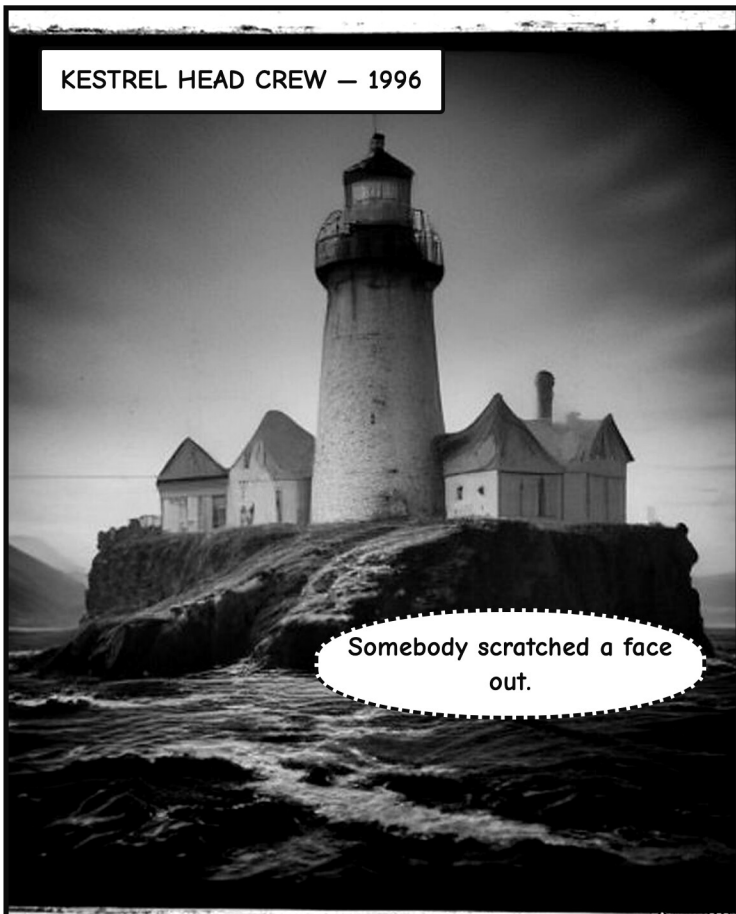

So say something worth
hearing.

This is Coast AM, 1215
kilohertz. Nobody's awake
but me.

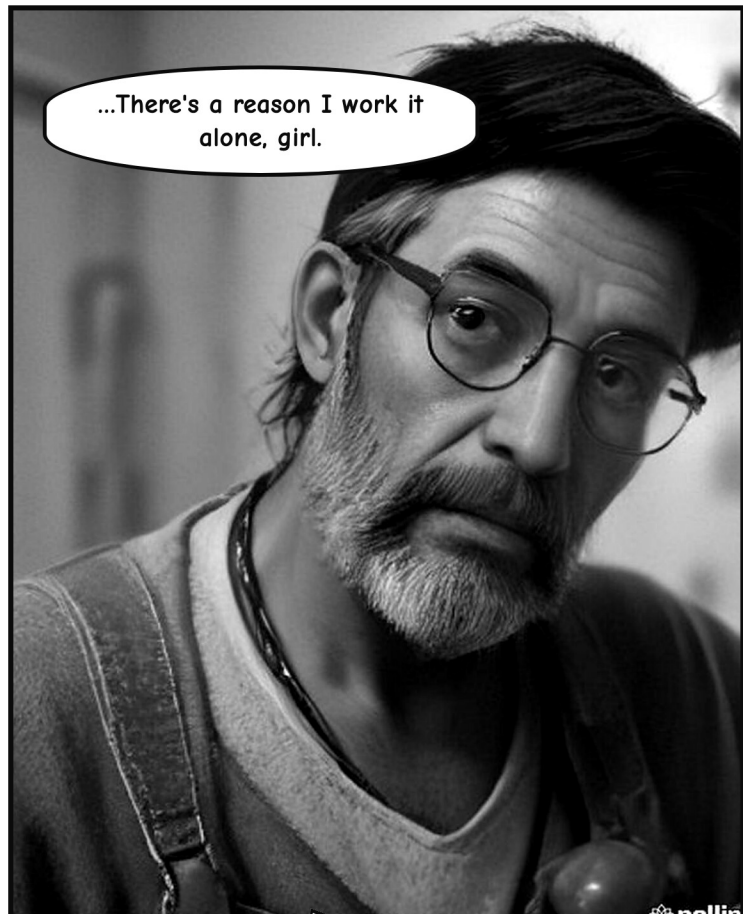

Month-end, this place goes dark for good.

Dark's fine. I work nights.

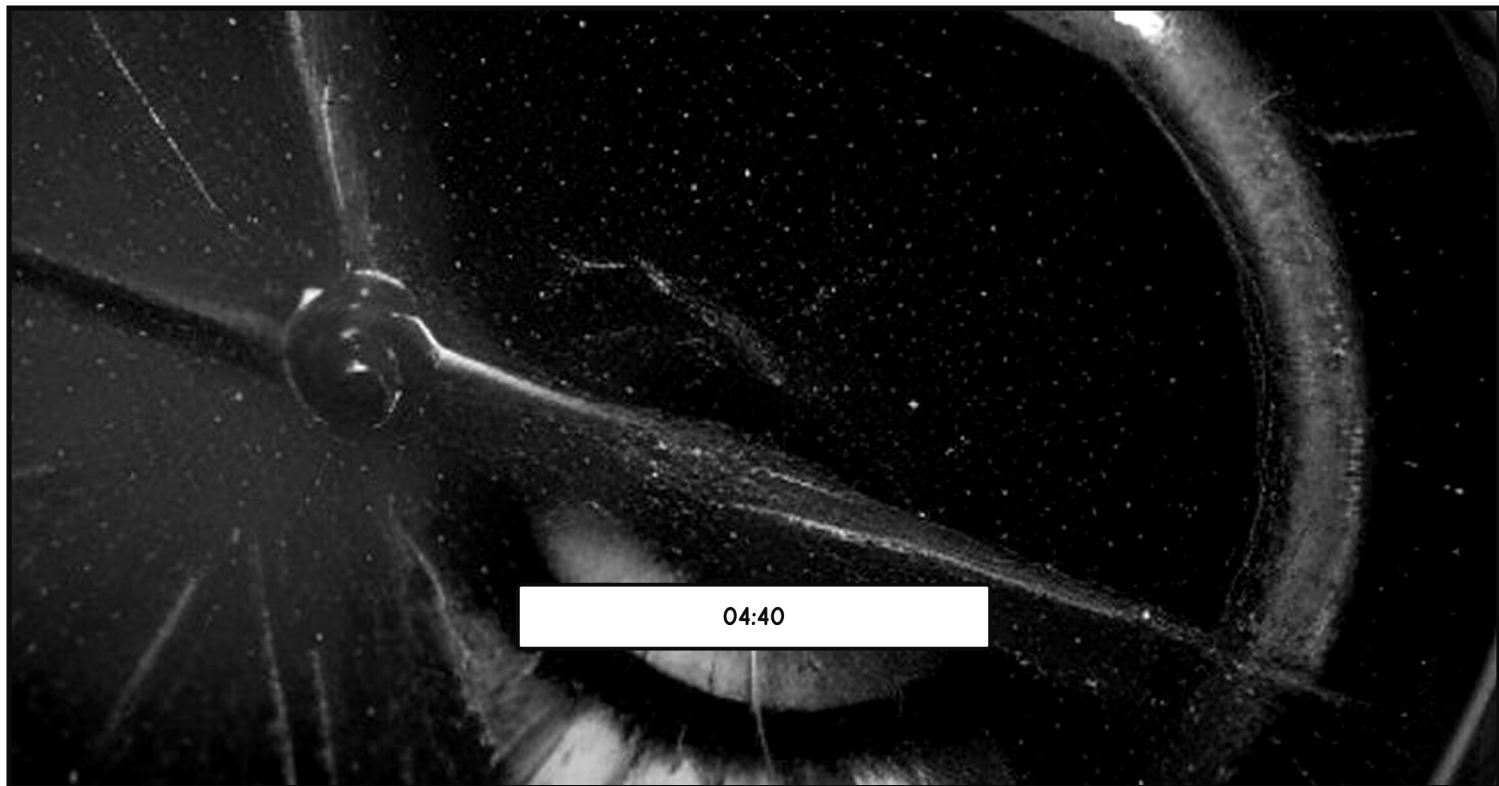

KESTREL HEAD CREW — 1996

Somebody scratched a face out.

...There's a reason I work it alone, girl.

04:40

R-R-RING

Line two was never connected to anything.

—HELLO?

You're on the air.

KSSSSHHH

Co-ordinates as follows. Read them back.

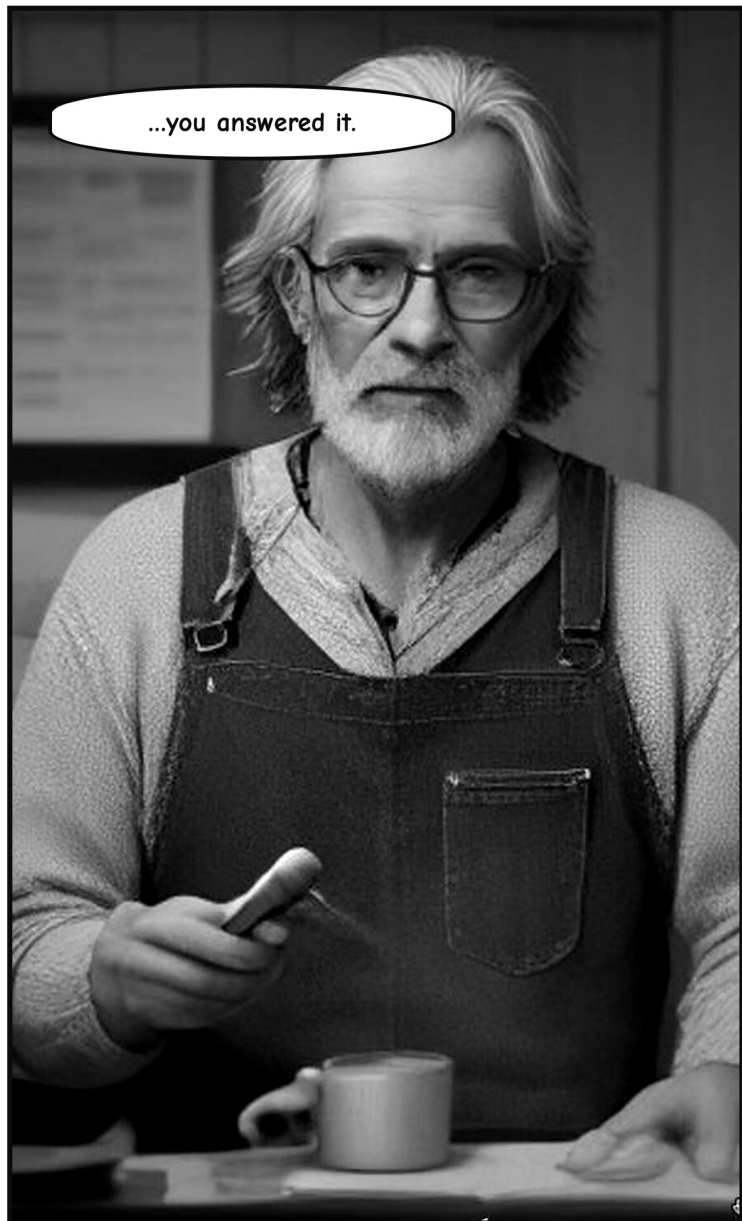

There's no power up on that head.

KESTREL HEAD — 04:41

Thirty years dark.
